

# TECHNOLOGY STUDENT ASSOCIATION PLAN OF WORK LOG

Date	Task	Time involved	Team member responsible (student initials)	Comments
Week of March 13th	create a TODO list of items. Research ideas to attract kids	5 days	AP	Do some research to get inspiration to engage young minds. Planned TODO list- create basic project, website theme, technology to use, domain hosting
1.				
Week of March 20th	Start the structuring work and thinking about the theme and characters	1 week	AP	I started with the navigation and worked on my characters. I thought of name Aryan's World originally for my character Aryan (I eventually changed it to Funopolis).
2.				
Week of March 27th	Started working on drawing app	3 days	AP	The controls are brush, eraser, brush/eraser thickness changer, color changer, shapes, fill color (for shapes), clear canvas, and save image.
3.				
Week of April 10th	Started working on Tic-Tac-Toe and Jumpy Ball	3 days	AP	I made these games because these are simple that kids understand and it is interactive.
4.				
Week of April 17th	Worked on images and background	1 week	AP	I found a better textured background and more appealing images
5.				
Week of April 24th	Worked on the finishing touches, and final testing	1 week	AP	All the dominces fell correctly, everything was in place and was finished.
6.
